

# HEALTHY CAPITAL DISTRICT INITIATIVE

Facilitated Enrollment Project  
315 Sheridan Avenue - Albany, NY 12206  
(518) 462-7040 Phone - (518) 462-7049 Fax

Dear Sir/Madam,

Today over 400,000 children in New York State are without health insurance coverage. With increasing costs of health insurance premiums and deductibles, many people can no longer afford insurance at all. New York State offers Health Insurance at very little or no cost through Medicaid, Child Health Plus and Family Health Plus.

My name is Kelly Kross, a Health Insurance Advocate for Healthy Capital District Initiative (HCIDI). HCIDI is an incorporated non-profit organization, whose mission is to organize the community to make considerable improvements in the public health conditions in Albany, Rensselaer and Schenectady counties.

HCIDI provides enrollment services for Medicaid, Child Health Plus and Family Health Plus. Our helpful and friendly staff is available to guide Individuals and Families through the application process. Meeting with a Facilitated Enroller can help avoid long waiting times at the local Department of Social Services.

Enclosed you will find information about the services that our agency provides. Please feel free to share our information with your students, coworkers or anyone that may be interested. If you or someone you know is interested in applying or have any questions, please feel free to call 518-462-7040.

Sincerely,

*Kelly Kross*

Health Insurance Advocate
