www.duanesburg.org

Dear Parents, Caregivers and Students,

The start of a new school year is always a time of anticipation and possibility. As we prepare to welcome students back to Duanesburg Central School District, I am energized by the momentum we've built together and excited for all that lies ahead. Our community's spirit, dedication, and commitment to student success continue to inspire me, and I look forward to another year of learning, growth, and collaboration.

This year marks my second as Superintendent, and I am honored to continue serving this incredible community. Over the past year, I've had the privilege of building relationships with students, staff, and families, gaining a deeper appreciation for the values that make Duanesburg such a special place. Together, we have strengthened our commitment to fostering academic excellence, student well-being, and a strong sense of belonging.

I am also thrilled to welcome our new Elementary School Principal, Ms. LaBarge, to the Duanesburg family. She brings a wealth of experience, a passion for education, and a commitment to fostering a positive and engaging learning environment for our students. I know she will be a wonderful addition to our leadership team, and I encourage you to join me in giving her a warm welcome as she begins her journey with us.

As we move forward, we will continue to prioritize joy and engagement in learning, ensuring every student feels empowered to grow and succeed. Key initiatives this year include expanding our UPK and Kindergarten classrooms to provide more students with access to early learning opportunities, enhancing communication strategies to strengthen connections with families, and launching new student leadership opportunities like the Superintendent's Advisory Team.

Our dedicated educators and staff remain steadfast in their commitment to creating a safe, supportive, and inspiring environment for all students. We value open communication and collaboration, and we encourage you to stay connected through our district website, newsletters, and school events. Your partnership is vital to our shared success.

I am deeply grateful for your continued support and trust. Let's make this year one of learning, growth, and community—together!

Looking forward to another fantastic year ahead.

Warmest Regards,

Kimberly Ross, *Superintendent of Schools*

This printed calendar is designed to be a valuable planning tool for families, but changes to dates and events throughout the year are inevitable. For the most up-to-date information, please visit the district calendar, which can be found on the homepage of the district website (<https://www.duanesburg.org/>).

COMMUNICATION - PARENTSQUARE:

ParentSquare

ParentSquare is the official platform used by the district to communicate information to families.

Families, caregivers, staff, and students will first be notified of any school delays, closings, or emergencies on ParentSquare.

ParentSquare is also used to relay important information like monthly menus, community events, school news and updates from building leaders.

Teachers and families can communicate directly, with the ability to send private messages back and forth.

Users can choose to receive notifications by text, email or through notifications on the mobile app (available for free download in both the Google and Apple stores).

Users can choose to receive notifications in "real time," or choose a daily "digest" to receive all notifications from the day in one message each evening. Emergency notifications will override the "digest" setting so that important information is not delayed.

ParentSquare automatically syncs caregiver contact information as it is listed in SchoolTool. This is why it is imperative that your emergency contact information on file at the school is up-to-date and current. If you need to update your contact information, contact the DCS Registrar Joanne Boyd at (518) 895-2580 ext. 243 or by email at jboyd@duanesburg.org.

(Continued on next page)

IN THE EVENT OF AN EMERGENCY:

Parents and guardians will be alerted via ParentSquare when their child's school is managing an incident.

If parent action is needed, ParentSquare robocalls, texts, and emails with detailed information will be sent to all primary and emergency contact phone numbers and email addresses on file.

Wait for instructions and do not rush to a site. It is important that roadways and school grounds remain clear for first responders, and that phone lines stay clear for communication with emergency personnel.

Please note that students will not be released to caregivers while the district is managing an incident (shelter in place, lock down, etc). Families should wait for instructions from the district through ParentSquare.

DOES YOUR FAMILY HAVE AN EMERGENCY PLAN?

Make sure your family has a plan, in the event of an unexpected early dismissal or other emergency. Be sure that you have an alternate childcare provider in place and listed as an emergency contact in your child's record. Students may only be released to a parent or emergency contact designated for student release. Photo identification is required.

TRANSPORTATION - BUSRIGHT APP:

The district is now using a new bus routing management system called BusRight, which replaces the StopFinder app. BusRight provides families with real time GPS and transportation updates to let you know where your child's bus is at all times. Families can utilize the new app by downloading it to their smartphone. The app is available for free for both androids and Apple phones.

As always, we encourage you to call the Transportation Department if you have any questions or concerns:

Duanesburg Transportation Department

9225 Duanesburg Road
Delanson, NY 12053

FOOD SERVICE - LINQ CONNECT / CEP DESIGNATION:

The Food Services department at Duanesburg Central School District uses the LINQ Connect platform. Daily menus are listed on the LINQ Connect platform and are easily accessible from the "Quick Links" section on the homepage of the DCS website.

LINQ Connect allows you to set up one-time or recurring payments for your student's meals. You can also view previous transactions, set spending limits, transfer funds between students, set low-balance notifications, and more. It's an easy way to manage meal payments without the hassle of sending cash.

If you have any difficulties accessing your LINQ account, please contact LINQ support at support@linqconnect.com. Download and log in to the "LINQ Connect" app – available on Google Play or in the Apple Store – or visit <https://linqconnect.com/> to get your account started.

DCS students in PK-12 receive FREE breakfast and lunch at school for 2025-2026

The Duaneburg Central School District qualified for the Community Eligibility Provision (CEP), which means that ALL students in grades PK-12 will receive FREE breakfast and lunch meals at school for the 2025-26 school year. The district received this designation based on different factors that revealed the need for financial assistance for district families.

The CEP provision does NOT cover the costs of any additional a la carte items (milk, yogurt, ice cream, cookies, etc.) or additional entrees that your student may want to purchase in the cafeteria. Students can either pay for these items in cash, or pay through a digital Linq Connect account, which must have a positive account balance in order to use it.

No application is required for your student(s) to receive free meals at school this year.

However, in order for our district and our families to continue to be eligible for free school meals, ALL FAMILIES should complete a Household Income Eligibility Form (HHIE) on the Linq Connect platform:

The data gathered from this form can qualify students for additional benefits and allows the district to receive additional state and federal funding. The online form only requires an income range and is strictly confidential.

For questions about CEP or the HHIE form, please contact:

Susan Frank
Shared Food Service Program Specialist
Capital Region BOCES
900 Watervliet-Shaker Road
Albany, NY 12205
