Duanesburg
CENTRAL SCHOOL DISTRICT

2026/2027
C A L E N D A R

www.duanesburg.org

Dear Parents, Caregivers and Students,

As we welcome a new school year, we are reminded that each September offers a chance to begin anew with opportunities to learn, grow and connect as a school community.

Last year was one of growth and change across our district. As our Capital Project work moved forward, renovations meant noise, shifting spaces, and the daily challenge of making temporary classrooms feel like home. As a community, we faced challenges together. In those moments, our students showed remarkable adaptability and optimism, our staff kept learning strong with creativity and care, and our families offered steady support. Our shared experiences ultimately highlighted our resilience, our compassion, and the unity that continues to guide us forward.

There were many bright moments that reminded us of what makes this district so special. Our baseball team brought home a state championship, lifting spirits across the community. We expanded academic opportunities and continued building programs that challenge and support every learner. We invested in growing athletic offerings and explored new ways for students to compete, lead, and build confidence. Across our extracurricular programs, students found places to belong, create, and discover their passions. These accomplishments reflect the collaboration and commitment that define Duanesburg.

This year, we carry that momentum forward. We are strengthening our middle school model with team-based teaching, expanded middle-school clubs, and new extracurricular opportunities designed to help students connect, grow, and discover what inspires them.

Across all grade levels, we continue to bolster academic programs and broaden pathways for students to challenge themselves both in and beyond the classroom.

Centennial Capital Project renovations are also taking shape, and soon our students will learn in state-of-the-art classrooms, labs, and common areas that will support collaboration, innovation and achievement for years to come.

Most importantly, we look forward to welcoming students back to classrooms filled with possibility. Together, we will continue to create a school community where every student feels supported, challenged and inspired to do their best.

The year ahead is an opportunity to grow, to imagine, and to build on the foundation we've created together. I'm honored to walk this journey with you.

With Eagle Pride,

Kimberly Ross, *Superintendent of Schools*

This printed calendar is designed to be a valuable planning tool for families, but changes to dates and events throughout the year are inevitable. For the most up-to-date information, please visit the district calendar, which can be found on the homepage of the district website (<https://www.duanesburg.org/>).

COMMUNICATION - PARENTSQUARE:

ParentSquare

ParentSquare is the official platform used by the district to communicate information to families.

Families, caregivers, staff, and students will first be notified of any school delays, closings, or emergencies on ParentSquare.

ParentSquare is also used to relay important information like monthly menus, community events, school news and updates from building leaders.

Teachers and families can communicate directly, with the ability to send private messages back and forth.

Users can choose to receive notifications by text, email or through notifications on the mobile app (available for free download in both the Google and Apple stores).

Users can choose to receive notifications in "real time," or choose a daily "digest" to receive all notifications from the day in one message each evening. Emergency notifications will override the "digest" setting so that important information is not delayed.

ParentSquare automatically syncs caregiver contact information as it is listed in SchoolTool. This is why it is imperative that your emergency contact information on file at the school is up-to-date and current. If you need to update your contact information, contact the DCS Registrar Serena Killenberger at (518)895-2279 ext. 241 or by email at skillenberger@duanesburg.org.

(Continued on next page)

IN THE EVENT OF AN EMERGENCY:

Parents and guardians will be alerted via ParentSquare when their child's school is managing an incident.

If parent action is needed, ParentSquare robocalls, texts, and emails with detailed information will be sent to all primary and emergency contact phone numbers and email addresses on file.

Wait for instructions and do not rush to a site. It is important that roadways and school grounds remain clear for first responders, and that phone lines stay clear for communication with emergency personnel.

Please note that students will not be released to caregivers while the district is managing an incident (shelter in place, lock down, etc). Families should wait for instructions from the district through ParentSquare.

DOES YOUR FAMILY HAVE AN EMERGENCY PLAN?

Make sure your family has a plan, in the event of an unexpected early dismissal or other emergency. Be sure that you have an alternate childcare provider in place and listed as an emergency contact in your child's record. Students may only be released to a parent or emergency contact designated for student release. Photo identification is required.

TRANSPORTATION - BUSRIGHT APP:

The district is now using a new bus routing management system called BusRight, which replaces the StopFinder app. BusRight provides families with real time GPS and transportation updates to let you know where your child's bus is at all times. Families can utilize the new app by downloading it to their smartphone. The app is available for free for both androids and Apple phones.

As always, we encourage you to call the Transportation Department if you have any questions or concerns:

Duanesburg Transportation Department

FOOD SERVICE - LINQ CONNECT / CEP DESIGNATION:

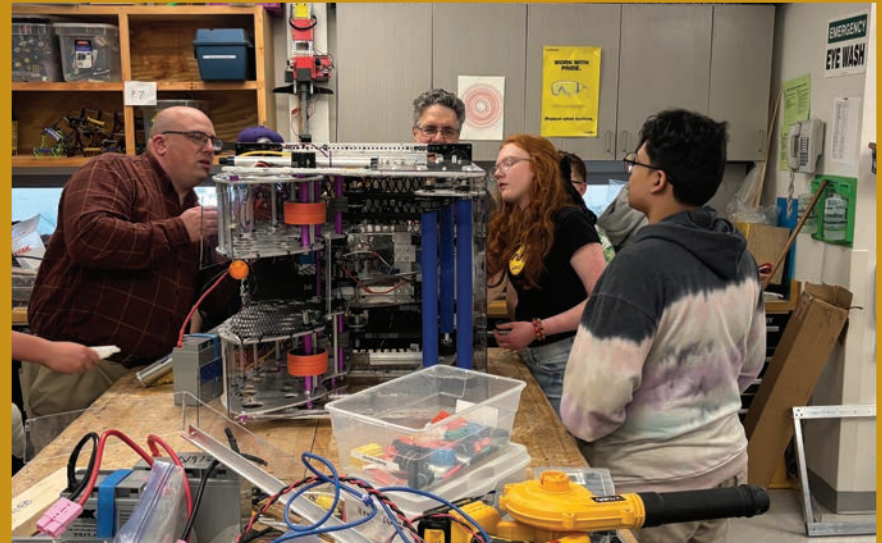

The Food Services department at Duanesburg Central School District uses the LINQ Connect platform. Daily menus are listed on the LINQ Connect platform and are easily accessible from the "Quick Links" section on the homepage of the DCS website.

LINQ Connect allows you to set up one-time or recurring payments for your student's meals. You can also view previous transactions, set spending limits, transfer funds between students, set low-balance notifications, and more. It's an easy way to manage meal payments without the hassle of sending cash.

If you have any difficulties accessing your LINQ account, please contact LINQ support at support@linqconnect.com. Download and log in to the "LINQ Connect" app – available on Google Play or in the Apple Store – or visit <https://linqconnect.com/> to get your account started.

DCS students in PK-12 receive FREE breakfast and lunch at school for 2026-2027

The Duaneburg Central School District qualified for the Community Eligibility Provision (CEP), which means that ALL students in grades PK-12 will receive FREE breakfast and lunch meals at school for the 2026-27 school year. The district received this designation based on different factors that revealed the need for financial assistance for district families.

The CEP provision does NOT cover the cost of additional Smart Snack approved a la carte snacks and beverages or additional entrée items that your student may want to purchase in the cafeteria. Students can either pay for these items in cash, or pay through a digital Linq Connect account, which must have a positive account balance in order to use it.

No application is required for your student(s) to receive free meals at school this year.

However, in order for our district and our families to continue to be eligible for free school meals, ALL FAMILIES should complete a Household Income Eligibility Form (HHIE) on the Linq Connect platform:

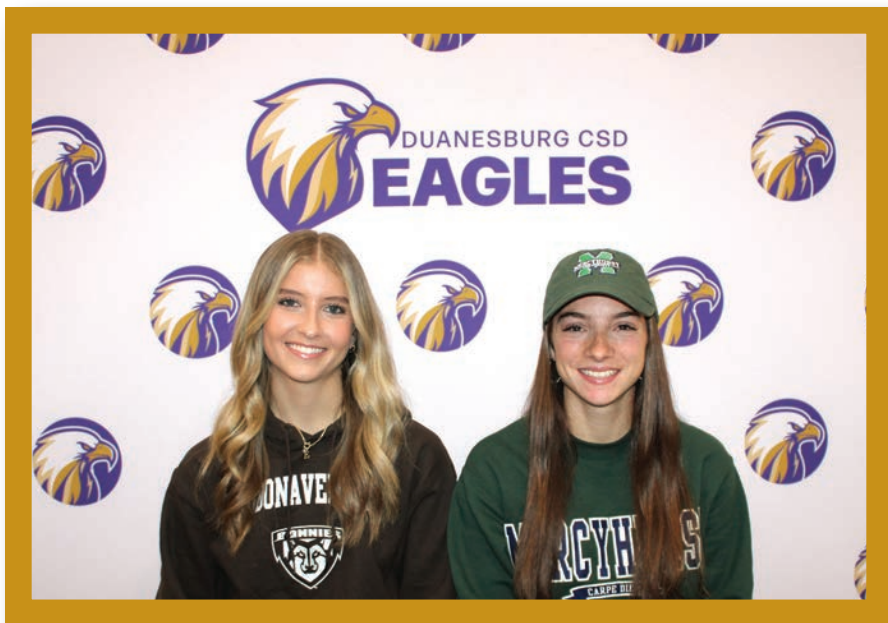

The data gathered from this form can qualify students for additional benefits and allows the district to receive additional state and federal funding. The online form only requires an income range and is strictly confidential.

For questions about CEP or the HHIE form, please contact:

Susan Frank
Shared Food Service Program Specialist
Capital Region BOCES
900 Watervliet-Shaker Road
Albany, NY 12205
