

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

Summary & Background

DUANESBURG CSD

530101040000

12-17-2021

SUMMARY & BACKGROUND

On March 11, 2021, the President signed into law the American Rescue Plan Act of 2021 (ARP). ARP makes available \$122.8 billion nationally in a third round of Elementary and Secondary School Emergency Relief (ESSER) funds. New York State has been allocated nearly \$9 billion under the ARP Act's Elementary and Secondary School Emergency Relief (ESSER) Fund. The ARP Act requires that a minimum of \$8.09 billion (90 percent) be allocated to LEAs, including charter schools and Special Act School Districts that are LEAs. Pursuant to the terms of the ARP Act, LEA allocations have been calculated using the relative shares of grants awarded under Title I, Part A of the ESEA for the most recent federal fiscal year (2020). Each eligible LEA's ARP-ESSER allocation may be found [HERE](#).

Under section 2001(d)(2) of ARP Act of 2021, each State Educational Agency (SEA) must make ARP-ESSER allocations to LEAs in an expedited and timely manner and, to the extent practicable, not later than 60 days after the SEA receives its ARP-ESSER funds. The first portion of ARP-ESSER Funds was awarded to states on March 24, 2021, and 60 days from that day is May 24, 2021. The U.S. Department of Education (USDE) has taken the position that an SEA makes allocations when it authorizes the LEA to begin to obligate funds in accordance with its needs. To enable New York State's LEAs to begin to obligate ARP-ESSER funds by USDE's May 24, 2021 deadline, the application for LEA 90% base ARP-ESSER allocations is being administered by NYSED as a two-part application process:

ARP-ESSER Application – Part 1: The first step was for each LEA to submit signed assurances to NYSED by May 24, 2021. Upon receipt of signed LEA assurances, NYSED provided an email notice to the LEA of substantially approvable application status. Upon receipt of such notice, LEAs were able to begin obligating their allocation of 90% base ARP-ESSER funds.

ARP-ESSER Application – Part 2: The second step will be the submission of a full application and budget by the LEA. NYSED will issue a Grant Award Notice (GAN) to the LEA after the LEA's application is fully reviewed and approved by NYSED. Part 2 will address several of the plan-related assurances an LEA must provide in Part 1 of the application process.

The ARP Act requires LEAs to reserve at least 20% of their 90% ARP-ESSER allocation to address learning loss through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs, and ensure that such interventions respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on economically disadvantaged students, children with disabilities, English learners, racial and ethnic minorities, migrant students, students experiencing homelessness, and children and youth in foster care. For your information, the minimum 20% reservation for each LEA may be found [HERE](#).

Project Period

March 13, 2020 to September 30, 2024 to obligate funds. Funds must be fully liquidated by October 31, 2024.

Project Number

The project number stem for the program is:

ESSER: 5880 - 21 - XXXX

This number should be used on the appropriate FS-10 budget form.

Submission Deadline

Completed applications are due by **August 31, 2021** (with extensions by request), and will be reviewed on a rolling basis.

Please note that applications must be submitted and fully approved by no later than March 23, 2022. LEAs that have not been issued a Grant Award Notice by that time will be at risk of having their ARP-ESSER allocation returned to the United States Department of Education.

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Summary & Background

APPLICATION PROCESS FOR LEA ALLOCATIONS OF ARP-ESSER SEA RESERVE FUNDS

The federal ARP statute requires SEAs to reserve:

not less than 5 percent of the total amount of grant funds awarded to the State (\$449.4 million) to carry out activities to address the impact of lost instructional time by supporting the implementation of evidence-based interventions;

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based summer enrichment programs; and

not less than 1 percent (\$89.9 million) to carry out the implementation of evidence-based comprehensive afterschool programs.

The 2021-22 enacted state budget directs that these required SEA set-asides be allocated as grants to specified school districts. Each eligible district's allocation of SEA reserve funds may be found [HERE](#). NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the [SED Monitoring and Vendor Reporting System](#). This application is only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

ARP-ESSER Application: Part 2 - ARP ActIntroduction/Instructions - Submission Instructions

Submission Instructions

DUANESBURG CSD

530101040000

Directions for Submitting the Application:

The online application may only be submitted/certified by the chief school officer of the applicant LEA. The designated superintendent (public school LEAs), and the chief executive officer, board of trustees president, or school employee designated by the board of trustees (charter school LEAs) are the only administrators with the submit/certify rights necessary to successfully submit and certify a completed application for NYSED review.

LEAs ARE NOT REQUIRED to send hard copies of general application materials to the Department.

LEAs ARE REQUIRED to send signed originals and two hard copies of each FS-10 Budget Form to:

Office of ESSA-Funded Programs - Rm 320 EB

ARP-ESSER LEA Base 90% Allocation - Plan Development and Dissemination

DUANESBURG CSD

530101040000

Title VIII of Division B of the CARES Act directs the Department to carry out the Education Stabilization Fund, of which the ARP ESSER funds are a part. Section 2001 of the ARP Act provides for the Department to make grants to each SEA from the ARP ESSER funds. An SEA must allocate at least 90 percent of its ARP ESSER grant funds to its LEAs (including charter schools that are LEAs) in the State in the same proportion that the LEAs received under part A of title I of the ESEA in Fiscal Year 2020, as required by section 2001(d)(1) of the ARP Act; and section 2001(e) of the ARP Act prescribes certain mandatory and permissive uses of LEAs' funds. Under 20 U.S.C. 1221e-3, the Secretary has the authority to promulgate rules governing the programs administered by the Department. Under this requirement, each LEA that receives ARP ESSER funds must develop, submit to the SEA on a reasonable timeline determined by the SEA, and make publicly available on the LEA's website, a plan for the LEA's use of ARP ESSER funds. The plan - known as the LEA ARP ESSER Plan - and any revisions to the plan submitted consistent with procedures established by the SEA, must include a description of key activities which are required below.

NYSED will consider each LEA's application for its base 90% ARP-ESSER allocation as meeting the USDE LEA ARP-ESSER use of funds plan requirement, provided the required elements of the plan are fully addressed in the LEA's application, combined with a budget, and then publicly posted after being developed with public input.

An LEA must engage in meaningful consultation with stakeholders and give the public an opportunity to provide input in the development of its plan. Specifically, an LEA must engage in meaningful consultation with students; families; school and district administrators (including special education administrators); and teachers, principals, school leaders, other educators, school staff, and their unions. Additionally, an LEA must engage in meaningful consultation with each of the following, to the extent present in or served by the LEA: Tribes; civil rights organizations (including disability rights organizations); and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migratory students, children who are incarcerated, and other underserved students.

Each LEA's ARP ESSER plan must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

- 1. In the space provided below, please describe how the LEA meaningfully engaged a diverse and representative set of the applicable stakeholders in developing a plan to use these funds and implementing that plan.**

The District posted a full draft plan on its website along with a video explaining initial thoughts. A link to a form asking for specific feedback was placed on the website. In addition, the District used an electronic communication tool to distribute the link to the form to all of its stakeholders on several occasions. This can be seen here: <https://www.duanesburg.org/district-seeks-input-on-covid-relief-funding/>.

- 2. In the space provided below, please provide the URL for the website(s) where the LEA ARP-ESSER Plan is/will be publicly posted. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.duanesburg.org/draft-plan-covid-relief-funds/>

ARP-ESSER LEA Base 90% Allocation - Program Information

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

3. **In the space provided below, please describe the extent to which and how the funds will be used to implement prevention and mitigation strategies that are, to the greatest extent practicable, consistent with the most recent CDC guidance on reopening schools, in order to continuously and safely open and operate schools for in-person learning.**

While the District was open during the entire 20-21 school year, it will use funds to ensure that it can remain open and safe for students and staff.

PPE and Sanitation

Personal protective equipment such as masks and gloves as well as sanitation equipment and supplies are needed to help prevent the spread of COVID-19.

Maintenance Personnel

An additional maintenance person is needed to ensure the successful operation of HVAC and other building mechanicals. A future retirement will eliminate the need for the extra ongoing expense after one year.

Nursing and LPN support

The district will recognize extra work that the Nurses need to do to keep kids safe by working on weekends and off hours. They will get salary increases to ensure that they are more likely to stay with the district. The district will also add an LPN position to assist the RN's in the extra duties that have been placed on their task list. This includes overseeing and double checking cleanliness of the school, working with sick students, passing out medications, and assisting the contact tracing process.

Instructional Technology Specialist

Started a new Instructional Technology Specialist in order to work with teachers and students on technology integration with regular classroom instruction. This person is tasked with ensuring that students and staff are able to provide web based instruction to kids that are out on quarantine or able to function productively at any time if the school ever needs to go remote. While our major goal is to keep all students in-person learning, the goal with this position is to make sure that there are more opportunities to prevent learning loss moving forward.

4. **In the space provided below, please describe the data that the LEA will use to identify student needs and monitor student progress as a result of planned interventions and supports.**

The LEA will identify student needs through its RTI process, which uses multiple measures of student performance to determine the type of intervention or support provided. These measures include, but are not limited to, state assessment results, formal and informal classroom assessments, vendor provided assessments that align with instructional materials (i.e. Reveal Math assessments) and NWEA Map. We have also conducted perception surveys with students and community members to identify non-academic needs.

We have identified a need to support middle school age students, who had been most negatively impact by the school shutdown. To that end, we have hired a coordinator who will specifically work on making sure that students in this transitional period are supported.

We have also identified health needs for students and will address these needs through the hiring of an LPN and the purchasing of air filtration systems. We have also provided our nurses with additional salary to compensate them for the impact contact tracing and testing have had on their workdays.

We have also identified a need for students to be able to participate in classes remotely as well as in person. To that end, we will invest in additional hotspots, computers, training for staff in delivering content in a hybrid fashion, and classroom equipment that will allow us to more easily transition to remote instruction.

5. **In the space provided below, please describe how the LEA will use the funds it reserves under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time through the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year.**

After School Tutoring and Wellness

The district will partner with the YMCA to provide an afterschool program for middle school age students that will focus on academics and wellness. Grant funding will be sought to fund this program after the 2023-24 school year.

Middle School Summer Enrichment Program

The district will offer two week-long summer enrichment camps for middle school aged students aimed at reigniting their love of learning and improving their connection to middle school staff members.

Elementary School Summer Boost Program

The district will offer summer remediation camps for elementary school students aimed specifically at students who have struggled during the pandemic or have been participating in remote-learning environments. These camps will focus on literacy and numeracy.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

6. **In the space provided below, please describe how the LEA will spend its remaining ARP ESSER funds consistent with section 2001(e)(2) - the allowable uses of funds - of the ARP Act.**

The district will use its remaining ARP ESSER funds for the following:

Operating schools and meeting the needs of students**Coordination of MS Program**

Middle Schools students participated in remote only instruction at a higher rate than other students and, because of this, will likely need the most support returning to in-person instruction. A Middle School Coordinator will be hired to make sure that struggling students in grades 6-8 do not fall through the cracks. A retirement will allow this position to be funded through the general fund beginning in January.

Emergency Purchasing

Purchasing of PPE and technology was needed last spring to transition into remote instruction.

Purchase of educational technology

Room Technology Upgrades

We will be upgrading the AV technology in several classrooms so that we can more easily transition to higher quality remote instruction in the future. This initiative will be completed with funds from the next capital project.

Equity

We will work with Generation Ready on improving equity within the district's community

Instructional Technology Integration Specialist

We will hire an instructional technology specialist to support teachers as they continue to adapt to 21st century classroom environments and tools.

This position will be filled by a teacher on special assignment through the 2024 school year. Anticipated retirements will allow the teacher to return to the classroom.

Chromebook Replacements and Hotspots

The district will continue to replace Chromebooks as they become damaged or obsolete. We will also continue to provide hotspots for students in need or reliable internet access.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Plan Development & Program Information**

7. In the space provided below, please describe how the LEA will ensure that the interventions it implements, including but not limited to the interventions implemented under section 2001(e)(1) - the required reserve of 20% of funds - to address the academic impact of lost instructional time, will respond to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted by the COVID-19 pandemic, including students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

Addressing the impact of the COVID-19 pandemic on all students, including low-income students, students with disabilities, English language learners, and students experiencing homelessness.

Secondary Home Tutoring

We will contract with per diem home tutors to recapture students who were unsuccessful during the pandemic. There will be no ongoing costs after the 2024 school year. These home tutors are especially needed for low income students and students with disabilities because these students often have needs that cannot be provided by families.

Special Education Coaching

We will contract with existing partner Generation Ready for professional development of special education and general education teachers and an audit of our existing special education program. Professional development will focus on differentiation and working in the consultant model of instruction. There will be no ongoing costs after the 2024 school year.

Implementing evidence-based strategies to meet students' social, emotional, mental health and academic needs.

Response to Intervention to Multi-tiered System of Support

Low income students, English learners, students with disabilities and students experiencing homelessness often require additional support within the school day to be successful. A portion of the salaries and benefits of Response to Intervention personnel will be supplanted by stimulus funds in order to more flexibly use general funds for BOCES instructional coaching services in ELA, Math, and Science. These salaries will be reabsorbed into the general fund following the 2024 school year.

Social Work

Low income students, English learners, students with disabilities and students experiencing homelessness often require greater supports outside of school to be successful. A portion of the salaries and benefits of school-based social workers will be supplanted by stimulus funds in order to more flexibly use general funds. These salaries will be reabsorbed into the general fund following the 2024 school year.

Positive Behavior Interventions and Supports Programming

Low income students, English learners, students with disabilities and students experiencing homelessness often require positive encouragement and flexible approaches to behavioral needs. PBIS programming supports positive behaviors in our school. We will provide a portion of funding for increased PBIS programming aimed at students continuing to make positive choices.

Reveal Math Program

Low income students, English learners, students with disabilities and students experiencing homelessness often find greater success in math instruction if math is made more relevant and hands on. The elementary school is in need of a new math program as its current program is no longer supported by the publisher. Reveal math is aligned to state standards, laid out in a student-friendly way, and includes assessment tools that will allow us to make data-driven decisions on achievement during the school year.

Science Enrichment Coaching

Low income students, English learners, students with disabilities and students experiencing homelessness often do not choose to continue to take upper level science classes when they reach the secondary, so efforts are needed to encourage their continued participation in these very important courses. The district will increase its coaching service through BOCES to include a science-specific coach for the Elementary School. This will be aimed at promoting scientific thinking and increasing participation in secondary science courses.

The District will assess data regarding which students are low income students, English learners, students with disabilities and students experiencing homelessness in order to address needs by focusing attention on certain staff in the district as resources to equalize opportunities. The district is fully committed to seeking equity amongst all demographic separations that potentially exist. This may require use of counselors, psychologists, special education teachers, aides, or other staff that are prepared to assist in differentiated instructional practices.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction**

ARP-ESSER Return to In-Person Instruction

DUANESBURG CSD

530101040000

Section 2001(i)(1) of the ARP Act requires each LEA that receives ARP ESSER funds to develop and make publicly available on the LEA's website, not later than 30 days after receiving ARP ESSER funds, a plan for the safe return to in-person instruction and continuity of services for all schools, including those that have already returned to in-person instruction. Section 2001(i)(2) of the ARP Act further requires that the LEA seek public comment on the plan and take those comments into account in the development of the plan. Finally, section 2001(i)(3) of the ARP Act states that an LEA that developed a plan for the safe return to in-person instruction and continuity of services prior to the date of enactment of the ARP Act will be deemed to have met the requirement to develop a plan under section 2001(i)(1) as long as the plan meets the statutory requirements (i.e., is publicly available on the LEA's website and was developed after the LEA sought and took into account public comment).

The LEA's plan must include how it will maintain the health and safety of students, educators, and other school and LEA staff and a description of any policies it has adopted regarding each of the CDC's safety recommendations, including universal and correct wearing of masks; modifying facilities to allow for physical distancing (e.g., use of cohorts/podding); handwashing and respiratory etiquette; cleaning and maintaining healthy facilities, including improving ventilation; contact tracing in combination with isolation and quarantine in collaboration with the State, local, territorial, or the health departments of Native American Nations; diagnostic and screening testing; efforts to provide vaccinations to school communities; appropriate accommodations for children with disabilities with respect to health and safety policies; and coordination with State and local health officials.

The plan must describe how the LEA will ensure continuity of services, including but not limited to services to address students' academic needs and the social, emotional, mental health and other needs of students and staff, which may include student health and food services.

LEA plans must be in an understandable and uniform format and, to the extent practicable, written in a language that parents can understand (or, if not practicable, orally translated). Upon request by a parent with a disability, LEA plans must be provided in an alternative format accessible to the parent.

NYSED will permit previously developed LEA re-opening plans to satisfy the ARP statutory requirement for the safe return to in-person instruction and continuity of services. LEAs must make any necessary updates to existing plans to conform with the USDE requirements within 30 days of receipt of ARP-ESSER funds and to review (and revise if appropriate) plans every six months thereafter (until September 30, 2023).

- 1. In the space provided below, please provide the URL for the website(s) where the district's most current re-opening/return to in-person learning plan is/will be located. For an LEA that does not have a website, the LEA may identify an online platform (e.g. social media group or post, file sharing service, email listserv) that allows plans to be directly communicated to students, parents or legal guardians, school staff, and other stakeholders. As appropriate, the LEA should provide details about how the plan will be made available to people who request it.**

<https://www.duanesburg.org/duanesburg-csd-reopening-plan-for-2021/communication-family-and-community-engagement/>
<https://www.duanesburg.org/wp-content/uploads/Layered-Mitigation-Chart.pdf>

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Return to In-Person Instruction

2. An LEA must periodically, but no less frequently than every six months (through September 30, 2023), review and, as appropriate, revise its plan. Consistent with section 2001(i)(2) of the ARP Act, which requires an LEA to seek public comment on the development of its plan, an LEA must seek public input and take such input into account in determining whether to revise its plan and, if it determines revisions are necessary, on the revisions it makes to its plan, i.e., the LEA must seek public input on whether to revise its plan and on any revisions to its plan no less frequently than every six months (taking into consideration the timing of significant changes to CDC guidance on reopening schools). If the LEA revises its plan, the revised plan must address each of the aspects of safety currently recommended by the CDC or, if the CDC has updated its safety recommendations at the time the LEA is revising its plan, each of the updated safety recommendations.

In the space provided below, please describe how the LEA will review and regularly update (at least every six months through September 30, 2023) it's plan for in-person instruction, including a description of how public comment will be collected.

The Superintendent will regularly review the status of the grants projects with the Board of Education publicly for the community. The district will also welcome suggestions via electronic communication and/or at board of education meetings. Presentations on status of funding will be given to the public and posted publicly on the district's Youtube channel and the Board Docs website by bi-annually. In addition, the LEA will regularly update its ClearGov page so that community members can be notified each time a change has occurred: <https://cleargov.com/new-york/school/duanesburg/projects/3277/federal-stimulus-funding> Public comment can be provided on this ClearGov page and will be regularly reviewed.

1. Please complete the chart below by identifying the funds being used to support each allowable activity. Please respond with "0" to indicate that no funds are being assigned to a given activity.

PLEASE NOTE - All proposed expenditures must be reflected within the FS-10 budget form AND budget narrative to clearly align with this item.

	FUNDING Amounts (\$)
1 - Any activity authorized by the ESEA, including the Native Hawaiian Education Act and the Alaska Native Educational Equity, Support, and Assistance Act (20 U.S.C. 6301 et seq.).	0
2 - Any activity authorized by the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 et seq.).	0
3 - Any activity authorized by the Adult Education and Family Literacy Act (AEFLA) (29 U.S.C. 3271 et seq.).	0
4 - Any activity authorized by the Carl D. Perkins Career and Technical Education Act of 2006 (Perkins V) (20 U.S.C. 2301 et seq.).	0
5 - Any activity authorized by subtitle B of title VII of the McKinney-Vento Homeless Assistance Act (McKinney-Vento) (42 U.S.C. 11431 et seq.).	0
6 - Coordinating preparedness and response efforts of LEAs with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to COVID-19.	0
7 - Providing principals and other school leaders with the resources necessary to address the needs of their individual schools.	214,213
8 - Activities to address the unique needs of low-income children or students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, including how outreach and service delivery will meet the needs of each population.	0
9 - Developing and implementing procedures and systems to improve the preparedness and response efforts of LEAs.	0
10 - Training and professional development for staff of the LEA on sanitation and minimizing the spread of infectious diseases.	0
11 - Purchasing supplies to sanitize and clean the facilities of the LEA, including buildings operated by such LEA.	2,778
12 - Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the IDEA and ensuring other education services can continue to be provided consistent with all Federal, State, and local requirements.	0
13 - Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the LEA that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.	415,266
14 - Providing mental health services and supports, including through the implementation of evidence based full-service community schools.	0
15 - Planning and implementing activities related to summer learning and enrichment and supplemental after-school programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children and youth in foster care.	0
16 - Addressing the academic impact of lost instructional time among an LEA's students (including low-income students, students with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care) by: a) Administering and using high-quality assessments that are valid and reliable to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction; b) Implementing	0

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Use of Funds**

	FUNDING Amounts (\$)
evidence-based activities to meet the comprehensive needs of students; c) Providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment; and d) Tracking student attendance and improving student engagement in distance education.	
17 - School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.	0
18 - Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.	0
19 - Developing strategies and implementing public health protocols including, to the greatest extent practicable, policies in line with guidance from the CDC for the reopening and operation of school facilities to effectively maintain the health and safety of students, educators, and other staff.	0
20 - Other activities that are necessary to maintain the operation of and continuity of services in the LEA and continuing to employ existing staff of the LEA.	134,487
Totals:	766,744

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs**

ARP-ESSER LEA Base 90% Allocation - Construction-Related Costs

DUANESBURG CSD

530101040000

PLEASE NOTE:

The Office of Facilities Planning, in collaboration with NYSED's Chief Financial Officer and the Office of ESSA-Funded Programs, is developing guidance regarding capital construction projects based on the United States Department of Education (USDE) recently issued FAQs for this federal program. The Use of Funds FAQ (released May 26, 2021) may be of particular interest, since it discusses construction and combination of funds. Links to the federal program website are below:

<https://oese.ed.gov/offices/american-rescue-plan/american-rescue-plan-elementary-and-secondary-school-emergency-relief/>

ESSER.GEER_FAQs_5.26.21_745AM_FINALb0cd6833f6f46e03ba2d97d30aff953260028045f9ef3b18ea602db4b32b1d99

Local Educational Agencies (LEAs) which intend to do federally funded work using ARP-ESSER funds must first file FS-10s and other documents as required by the Office of ESSA-Funded Programs. If a project would normally require a building permit if supported by state/local funds, it must also have a building permit if supported by federal funds (or a combination of funding streams). Facilities Planning forms are under development at this time.

1. What is the amount of funds that the LEA plans to use for construction related projects?

0

2. In the space provided below, please described the planned construction activities and costs.

N/A

3. Will the planned construction impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places; or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places?

No, the planned construction will not impact and/or effect any district, site, building, structure, or object that is: Included in the National Register of Historic Places; or Eligible under criteria established by the Secretary of Interior for inclusion in the National Register of Historic Places.

ARP-ESSER - Construction-Related ASSURANCES**4. The LEA assures it will have or obtain a full title or other interest in the site, including right of access, that is sufficient to insure the grantee's undisturbed use and possession of the facilities for 50 years or the useful life of the facilities, whichever is longer. § 75.603 (Authority: 20 U.S.C. 1221e-3 and 3474)**☒ YES, the LEA provides the above assurance.**5. The LEA assures it will ensure that sufficient funds are available to meet any non-Federal share of the cost of constructing the facility. § 75.604**☒ YES, the LEA provides the above assurance.**6. The LEA assures work will begin on construction within a reasonable time after the grant for the construction is made. § 75.605 (Authority: 20 U.S.C. 1221e-3 and 3474)**☒ YES, the LEA provides the above assurance.**7. The LEA assures the construction will be completed within a reasonable time and the LEA shall complete the construction in accordance with the application and approved drawings and specifications. § 75.606**☒ YES, the LEA provides the above assurance.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

8. The LEA assures that the construction is functional; economical; and not elaborate in design or extravagant in the use of materials, compared with facilities of a similar type constructed in the State or other applicable geographic area. § 75.607. Further, the LEA assures that it shall, in developing plans for the facilities, consider excellence of architecture and design and inclusion of works of art. The grantee may not spend more than one percent of the cost of the project on inclusion of works of art. § 75.607 Authority: 20 U.S.C. 1221e-3 and 3474)
- ☒ YES, the LEA provides the above assurance.
9. In planning for and designing facilities, the LEA assures it shall observe the standards under the Occupational Safety and Health Act of 1970 (Pub. L. 91-576) (See 36 CFR part 1910); and State and local codes, to the extent that they are more stringent. § 75.609 Further, the LEA assures it will submit an application for a Building Permit to NYSED Office of Facilities Planning for review and approval prior to construction.
- ☒ YES, the LEA provides the above assurance.
10. The LEA assures that it shall comply with the Federal regulations on access by the handicapped that apply to construction and alteration of facilities. These regulations are:
- For residential facilities - 24 CFR part 40; and
 - For non-residential facilities - 41 CFR subpart 101-19.6. § 75.610
- ☒ YES, the LEA provides the above assurance.
11. The LEA assures that, in planning the construction, the LEA shall, in accordance with the provisions of Executive Order 11988 of February 10, 1978 (43 FR 6030) and rules and regulations that may be issued by the Secretary to carry out those provisions: Evaluate flood hazards in connection with the construction; and as far as practicable, avoid uneconomic, hazardous, or unnecessary use of flood plains in connection with the construction. § 75.611
- ☒ YES, the LEA provides the above assurance.
12. The LEA assures that it shall maintain competent architectural engineering supervision and inspection at the construction site to insure that the work conforms to the approved drawings and specifications. § 75.612
- ☒ YES, the LEA provides the above assurance.
13. The LEA assures that it will comply with the regulations on relocation assistance and real property acquisition in 34 CFR part 15. § 75.613
- ☒ YES, the LEA provides the above assurance.
14. The LEA assures that, when construction is completed, sufficient funds will be available for effective operation and maintenance of the facilities. § 75.614
- ☒ YES, the LEA provides the above assurance.
15. The LEA assures that it shall operate and maintain the facilities in accordance with applicable Federal, State, and local requirements. § 75.615
- ☒ YES, the LEA provides the above assurance.

ARP-ESSER Application: Part 2 - ARP ActLEA ARP-ESSER Plan - ARP-ESSER Construction-Related Costs

16. The LEA assures that, to the extent feasible, it shall design and construct facilities to maximize the efficient use of energy. § 75.616 Further, the LEA shall comply with ASHRAE standards in designing and constructing facilities built with project funds. § 75.616 The following standards of the American Society of Heating, Refrigerating, and Air Conditioning Engineers (ASHRAE) are incorporated by reference in this section:

- ASHRAE-90 A-1980 (Sections 1-9).
- ASHRAE-90 B-1975 (Sections 10-11).
- ASHRAE-90 C-1977 (Section 12)

Incorporation by reference of these provisions has been approved by the Director of the Office of the Federal Register pursuant to the Director's authority under 5 U.S.C. 552 (a) and 1 CFR part 51. The incorporated document is on file at the Department of Education, Grants and Contracts Service, rm. 3636 ROB-3, 400 Maryland Avenue, SW., Washington, DC 20202-4700 or at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to:

http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html. These standards may be obtained from the publication sales department at the American Society of Heating, Refrigerating, and Air Conditioning Engineers, Inc., 1791 Tullie Circle, NE., Atlanta, Georgia 30329. § 75.616

☒ YES, the LEA provides the above assurance.

ARP-ESSER Application: Part 2 - ARP Act**LEA ARP-ESSER Plan - ARP-ESSER Allocation - Budget****ARP-ESSER LEA Base 90% Allocation - Budget**

PLEASE NOTE - the FS-10 and Budget Narrative are used to provide NYSED with a specific itemization of proposed project expenditures and to provide NYSED and the Office of the State Comptroller with the necessary documentation upon which payments can be based. FS-10s with missing quantities or unit costs, or with terms such "*TBD*" or "*Varies*" cannot be accepted on the FS-10 or Budget Narrative forms.

Please note: LEAs that have been allocated funds from the mandated SEA-Level Reserves in the 2021-22 enacted state budget will apply for those funds via a separate application process. NYSED will inform school districts under separate cover when the application process for school district allocations of ARP-ESSER SEA set-aside funds has been published in the SED Monitoring and Vendor Reporting System. The sections below are only for LEA 90% base ARP-ESSER allocations. LEAs should not apply for ARP ESSER SEA Reserve funds as part of this application.

1. Please upload a completed and signed copy of the FS-10 Budget for the ARP-ESSER LEA Base 90% Funds.

DUANESBURG-ARP90_12-17-21.pdf

2. Please upload a completed copy of the Budget Narrative for the ARP-ESSER LEA Base 90% Funds.

Duanesburg- ARP Budget_Narrative 90 December 2021 Revision.docx

3. Please complete the following table by providing total proposed expenditures by budget code for funding in relation to the ARP-ESSER Application – Part 2. This information should match the Budget Summary page of the FS-10 budget form.

	Total Funds (\$)
15 - Professional Salaries	230,782
16 - Support Staff Salaries	279,719
40 - Purchased Services	84,961
45 - Supplies and Materials	2,778
46 - Travel Expenses	0
80 - Employee Benefits	0
90 - Indirect Cost	0
49 - BOCES Services	0
30 - Minor Remodeling	0
20 - Equipment	168,504
Totals:	766,744
